**Re: Formal Notice – Lawful Establishment of the Commonwealth Public Trust and the
Illegitimacy of Corporate Political Parties Acting under Foreign Jurisdiction**

Greeting in the saving Name of Yeshua, to all whom it may concern,

Let it be known that this Notice is duly issued in honour, duty, and lawful service, for and on
behalf of the living People of the Original States of The Commonwealth of Australia, as

beneficiaries under the Imperial Constitution of 1900 and successors in title to our forefathers who lawfully established this Nation under Almighty God.

Public Notice and Recording

Whereas a Declaration of Trust and Founding Trust Deed (Trust Deed) has now been lawfully executed, publicly read and signed, and entered into the Commonwealth Public Record on the Thirteenth Day of the Fourth Month in the year commonly referred to as Two Thousand and Twenty-five (13.04.2025).

This action constitutes the lawful and peaceful reclamation of the Constitutional Commonwealth of Australia — as a non-corporate, living jurisdiction — for the protection of the rights, estates, and peace of the People.

Furthermore, the Trust Deed has also been on full public display as a Public Notice at the Commonwealth Public Notice Website since the Nineteenth Day of the Fourth Month, Two Thousand and Twenty-five (19.04.2025) at <https://commonwealthpublicnotice.org>, and published in *The Australian* Newspaper on the Twenty-eighth Day of the Fourth Month, Two Thousand and Twenty-five (28.04.2025).
As such, lawful notice is now perfected.

Notice of Fraud and Misrepresentation

It is known by the People, Trustees, Stewards, and Custodians of The Commonwealth that your political party is registered and operating under a foreign corporate system, entirely separate from the Constitution of the Commonwealth of Australia as established by the Commonwealth of Australia Constitution Act 1900 (Imperial).

This corporate system is not a creation of The People of The Commonwealth, nor is it compatible with them — and as such, your organisation has no lawful authority to govern or rule over the People of The Commonwealth by being a Government.

Any further participation in, or endorsement of, this foreign corporate jurisdiction, especially under false colour of law or presumed authority, may constitute fraud, breach of trust, and treason, by installing a foreign counterfeit entity into the lawful body politic of the Crown and The People.

As such, you are hereby formally notified of the lawful re-establishment of The Commonwealth of Australia under its original constitutional form.

You are further put on notice that any presumption of jurisdiction, authority, or representation over the People of The Commonwealth, without express and informed consent, is hereby rebutted.

Let it also be known that the People are not members of any political party or foreign corporate society unless they have knowingly and voluntarily contracted to do so, with full disclosure.

Your party's presumed claim over the governance or representation of The People is without lawful basis and is hereby repudiated.

Participation in this corporate political system constitutes, knowingly or unknowingly, fraud, misrepresentation, and treasonous usurpation of the lawful government of the Commonwealth established under the Crown and the original Constitution.

You are advised to cease any further presumption of lawful standing under the name of The Commonwealth of Australia, which belongs solely to the living People and the Crown under Almighty God.

Notice to Cure

Take Notice that, having now received the third and final publication of Public Notice in respect of the Declaration of Trust and Founding Trust Deed, duly recorded on 13 April 2025, 19 April 2025, and 28 April 2025 respectively, you are hereby made aware that the twenty-one (21) days to refute the Trust Deed lawfulness falls on the Fourth Day of the Fifth Month, Two Thousand and Twenty-five (04.05.2025).

Failure to cure, or to validate a claim, in writing, in good faith, by way of plain English affidavit rebutting the facts and claims made herein, will constitute tacit agreement and estoppel by acquiescence and silence.

Failure to so cure within the time specified shall be conclusively deemed perfected on the public record, without further recourse, remedy, or protest.

Supported by the Following Maxims of Law and Equity:

- **Silence is acquiescence:**
"Qui tacet consentire videtur si loqui debuisset ac potuisset."
(He who is silent, when he ought to have spoken and was able to, is taken to agree.)
 - Directly supports estoppel by silence.
 - Directly supports that lack of rebuttal = lawful agreement.
- **He who fails to assert his rights has none:**
"Vigilantibus non dormientibus aequitas subvenit."
(Equity aids the vigilant, not those who slumber on their rights.)
 - Directly supports that he who does not cure or rebut cannot later claim remedy or protest.
- **A right not exercised is a right abandoned:**
"Quod remedio destituitur ipsa re valet si culpa absit."
(He who neglects to use his right loses it.)
 - Directly supports loss of any claim to protest or remedy by not acting when having had the chance.
- **Matters once decided are concluded:**
"Res judicata pro veritate accipitur."
(A thing adjudged is accepted for truth.)
 - Directly supports that once estoppel is perfected by public record, it is final.

- **Equity regards that as done which ought to be done:**
"Equitas considerat factum quod fieri oportuit."
(Equity regards that as done which ought to have been done.)
 - Directly supports that failure to rebut results in complete estoppel.
