**Notice to Vacate Public Property of
The Commonwealth of Australia**

On His Majesty's Service
The Commonwealth of Australia (non-corporate)

The Twenty-ninth Day – Fourth Month – Two Thousand and Twenty-five

By Way of Service

To:
The Occupant of the United Nations Information Centre (UNIC)
Old Parliament House
18 King George Terrace
Parkes ACT 2600
The Commonwealth of Australia (non-corporate)

Date of Perfection: The Fourth Day of the Fifth Month, Two Thousand and Twenty-five

Subject: Notice to Vacate – Failure to Lawfully Refute Declaration of Trust

Re: Unlawful Occupation of Property Belonging to The People of The Commonwealth

Take Notice:

The lawful Declaration of Trust and Founding Trust Deed of the Commonwealth Public Trust was duly executed, publicly proclaimed, and perfected into the Commonwealth Public Record on the Thirteenth Day of the Fourth Month, Two Thousand and Twenty-five (13.04.2025), with formal Public Notices issued on the Nineteenth and Twenty-eighth Days of the same month.

All parties, including your organisation, have been served with lawful opportunity to rebut the Trust Deed or assert any competing claim within twenty-one (21) days of the first publication. That period concludes on the Fourth Day of the Fifth Month, Two Thousand and Twenty-five (04.05.2025).

No rebuttal, counterclaim, or lawful objection having been received, estoppel by acquiescence and silence is thereby perfected.

You are hereby served formal Notice to Vacate the premises known as Old Parliament House, being the original and true seat of the People's Parliament under the *Commonwealth of Australia Constitution Act 1900 (Imperial)*, within fourteen (14) days from perfection — by the Eighteenth Day of the Fifth Month, Two Thousand and Twenty-five (18.05.2025), unless lawful right to remain is proven by affidavit sworn under full liability and penalty of perjury.

This Property, being a non-corporate estate, reclaimed by lawful Trust for and on behalf of the living People of The Commonwealth, must be vacated by any agent, officer, representative, or entity operating under foreign or corporate authority — unless acting in good faith under direction of the Commonwealth Public Trust.

Failure to comply shall constitute wilful trespass, bad faith occupation, and ongoing fraud upon the People, and will give rise to lawful claim for damages, removal, and such remedy as may be sought before a court of competent jurisdiction under The Commonwealth.

SUPPORTING LAWFUL PRINCIPLES:

- Title and right return to the People where original covenant is violated.
- Silence in the face of lawful Notice constitutes agreement.
- Equity will not aid a trespasser acting without right.

Notice to Principal is Notice to Agent; Notice to Agent is Notice to Principal.

Receipt of this Notice by any officer, clerk, or employee of your organisation constitutes legal receipt by the principal they serve. It is the duty and responsibility of said principal and all agents to disseminate and ensure full knowledge of the contents of this Notice to all relevant parties under their authority. **Failure to do so does not excuse liability, nor does ignorance abrogate lawful duty.**

With clean hands, in good faith, and by duty and right, by and for The People of The Commonwealth, this Notice is hereby given by way of lawful Service.

Notice of Declaration of Trust and Peaceful Reclamation of The Commonwealth

By Way of Service

To:

The Occupant of the Office of the Secretary-General
Organisation: United Nations
Address: United Nations Headquarters,
New York, N.Y. [10017], United States

Date: The Twenty-ninth Day – Fourth Month – Two Thousand and Twenty-five

Re: Formal Notice – Lawful Establishment of the Commonwealth Public Trust and the Illegitimacy of Corporate Political Parties Acting under Foreign Jurisdiction

Greeting in the saving Name of Yeshua, to all whom it may concern,

Let it be known that this Notice is duly issued in honour, duty, and lawful service, for and on behalf of the living People of the Original States of The Commonwealth of Australia, as beneficiaries under the Imperial Constitution of 1900 and successors in title to our forefathers who lawfully established this Nation under Almighty God.

Peaceful and Honourable Reclamation of Lawful Government

This Notice is formally delivered to inform every man and woman that may occupy any office of the

United Nations and its member states, that the People of the Original States of the lawful Commonwealth of Australia have lawfully and peacefully re-established our constitutional governance under trust, in accordance with our inherited rights, natural law, equity, and the divine authority of The Creator.

We have acted without hostility, force, or rebellion. We have followed due process in equity, issued public notices, and restored the proper use of the Imperial Constitution.

Public Notice and Recording

Whereas a Declaration of Trust and Founding Trust Deed (Trust Deed) has now been lawfully executed, publicly read and signed, and entered into the Commonwealth Public Record on the Thirteenth Day of the Fourth Month in the year commonly referred to as Two Thousand and Twenty-five.

This action constitutes the lawful and peaceful reclamation of the Constitutional Commonwealth of Australia — as a non-corporate, living jurisdiction — for the protection of the rights, estates, and peace of the People.

Furthermore, the Trust Deed has also been on full public display as a Public Notice at the Commonwealth Public Notice Website since the Nineteenth Day of the Fourth Month, Two Thousand and Twenty-five at <https://commonwealthpublicnotice.org>, and published in The Australian Newspaper on the Twenty-eighth Day of the Fourth Month, Two Thousand and Twenty-five.

As such, lawful notice is now perfected.

Notice of Fraud and Misrepresentation

It is known by the People, Trustees, Stewards, and Custodians of The Commonwealth that your organisation and its associated political structures are registered and operating under a foreign corporate system, entirely separate from the Constitution of the Commonwealth of Australia as established by the Commonwealth of Australia Constitution Act 1900 (Imperial).

This corporate system is not a creation of The People of The Commonwealth, nor is it compatible with them — and as such, your organisation has no lawful authority to govern or rule over the People of The Commonwealth by being a Government.

Any further participation in, or endorsement of, this foreign corporate jurisdiction, especially under false colour of law or presumed authority, constitutes misrepresentation and usurpation of trust. Such actions may be construed as treasonous interference in the lawful body politic of the Crown and The People.

As such, you are hereby formally notified of the lawful re-establishment of The Commonwealth of Australia under its original constitutional form. Any presumption of jurisdiction, authority, or representation over the People of The Commonwealth, without express and informed consent, is hereby rebutted.

Let it also be known that the People are not members of any political party or foreign corporate society unless they have knowingly and voluntarily contracted to do so, with full disclosure.

Your organisation's presumed claim over the governance or representation of The People is without lawful basis and is hereby repudiated.

You are advised to cease any further presumption of lawful standing under the name of The Commonwealth of Australia, which belongs solely to the living People and the Crown under Almighty God.

Take Notice: Having now received the third and final publication of Public Notice in respect of the Declaration of Trust and Founding Trust Deed, duly recorded on 13 April 2025, 19 April 2025, and 28 April 2025 respectively, you are hereby made aware that the twenty-one (21) days to refute the Trust Deed's lawfulness falls on the Fourth Day of the Fifth Month, Two Thousand and Twenty-five.

Equitable Time to Refute and Cure

Whereas The Trust has now been on Public Notice since 13.04.2025, with no objections to date being received — and none expected, for the truth cannot be refuted — every man and woman has been given fair opportunity to rebut our lawful standing.

Failure to cure, or to validate a claim, in writing, in good faith, by way of plain English affidavit rebutting the facts and claims made herein, will constitute tacit agreement and estoppel by acquiescence and silence.

Failure to do so shall be conclusively deemed perfected on the public record, without further recourse, remedy, or protest.

Supported by the Following Maxims of Law and Equity:

- *Qui tacet consentire videtur si loqui debuisset ac potuisset.*
(He who is silent, when he ought to have spoken and was able to, is taken to agree.)
- *Vigilantibus non dormientibus aequitas subvenit.*
(Equity aids the vigilant, not those who slumber on their rights.)
- *Quod remedio destituitur ipsa re valet si culpa absit.*
(He who neglects to use his right loses it.)
- *Res judicata pro veritate accipitur.*
(A thing adjudged is accepted for truth.)
- *Equitas considerat factum quod fieri oportuit.*
(Equity regards that as done which ought to have been done.)

We stand in peace and truth.

We assert that no corporate or foreign political entity has the lawful right to govern, dispose of, or diminish that which was created and vested by the living People in covenant with God and the Crown, prior to the imposition of the current corporate system.

Divine Mandate and Scriptural Foundation

As it is written:

"Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues." — Revelation 18:4, KJV

We have heard this call and have responded in good faith, seeking to restore honour, peace, and rightful stewardship over that which has been corrupted through fraud, usurpation, and false authority.

Call for Recognition and Non-Interference

We call upon all nations and international bodies to respect this lawful reclamation and to recognise our right to self-determination under natural law, common law, and the foundational covenants that preceded the present international legal order.

We pray that no action be taken against any man or woman standing under this Trust who acts peaceably, lawfully, and honourably in accordance with these principles.

Receipt of this Notice by any agent, officer, employee, or representative constitutes receipt by the principal they serve. It is the duty and responsibility of the principal and all agents to disseminate and ensure full knowledge of the contents of this Notice to all relevant parties under their authority. Failure to do so does not excuse liability, nor does ignorance abrogate lawful duty.

With clean hands, in good faith, and by duty and right, by and for The People of The Commonwealth, this Notice is hereby given, By Way of lawful Service.
